- (O) Back Drawer Panel X 4

Revised 09-2009
Step 1: Installing Panel Glides

Install panel glides (H8) and (H9) onto end panels (A) and (B). Use 3 wood screws (H6) for each panel glide.

DO NOT OVER TIGHTEN.

Step 2: Assemble Front Cross Bars and Top Support Frame

Make sure top support frame (G) is placed with counter-sunk holes facing down.

Use screw (H6) and support bar fastener (H13) to mount support bar (H) to the left and right end panels (A) and (B).
Step 3: Assemble Legs
:: Use 2 (H1) bolts to install each leg (L.1) and (L.2).

Step 4: Assemble Dresser Top and Bottom Support Frame
:: Use 6 (H1) bolts to install the dresser top (E) and 4 (H1) bolts to install the bottom support frame (F).

Place bottom frame support frame (F) with counter-sunk holes facing up.

Step 5: Assemble Back Panel
:: Use 20 (H6) screws for back panel (D). The top panel is smaller.

DRAWER ASSEMBLY
Step 1
IMPORTANT: As with all infant and baby furniture, it is important to check fasteners, screws, and bolts periodically for tightness. Do not over-tighten.

This item has a manufacturer's limited one year warranty. Visit our web site at www.milliondollorbaby.com for more information.
