Congratulations on purchasing an MDB Family product. This product will provide many years of service if you adhere to the following guidelines for assembly, maintenance and operation. This product is for residential use only. Any institutional use is strictly prohibited.

Please be sure to follow the instructions for proper assembly. Use a Phillips head screwdriver for assembling the product in addition to the Allen wrench included in the hardware box. Do not use power screwdrivers. All of our products are made from natural woods. Please understand that natural woods have color variations which are the result of nature and not defects in workmanship.

DO NOT SUBSTITUTE PARTS. ALL MODELS HAVE THE SAME QUANTITY OF PARTS AND HARDWARE. YOUR MODEL MAY LOOK DIFFERENT FROM THE ONE ILLUSTRATED DUE TO STYLISTIC VARIATIONS.

**Tools Needed**

Phillips screwdriver

*(not included)*
**Step 1:**
Installing the panel glides.

Install the panel glides (H8) and (H9) onto the end panels (A) and (B). Use 3 wood screws (H6) for each glide.

**DO NOT OVER TIGHTEN.**

**Step 2:**
Assemble dresser end panels, support frames and support bars.

Make sure top support frame (G) is placed with counter-sunk holes facing down.

Use screws (H6) and support bar fastener (H13) to mount support bars (H) and (Q) to the left and right end panels (A) and (B).

Place bottom frame support frame (F) with counter-sunk holes facing up.

**DO NOT OVER TIGHTEN.**
Step 3: Assemble dresser top.
Use 8 bolts (H1) to install the dresser top (E).

Step 4: Back Panel Assembly
Use 12 screws (H6) for back panel.

DO NOT OVER TIGHTEN.

Step 5: Assemble Base and Legs.
Use 8 (H12) wood screws to install legs (P).

Drawer Assembly
Step 1

There are no pre-drilled holes on base panel for H12. Align carefully and secure legs. Then attach base panel assembly to the dresser assembly using 6 (H1) machine bolts as shown in the picture.
Insert the assembled drawers.

**IMPORTANT:** As with all infant and baby furniture, it is important to check fasteners, screws, and bolts periodically for tightness. Do not over-tighten.

This item has a manufacturer's limited one year warranty. Visit our web site at www.themdbfamily.com for more information.
!!! IMPORTANT !!! Furniture Anti-Tipping Kit Installation

Children may be injured by tipping furniture and the use of the anti-tipping kit is highly recommended. This device, when properly installed, could provide protection against unexpected tipping of furniture due to improper use.

!!WARNING!! THIS DEVICE IS NOT A SUBSTITUTE FOR ADULT SUPERVISION.

Safety Notes:
- Do not allow your children to climb or jump on the furniture or in the drawer. Climbing on the furniture could make it top-heavy and cause the furniture to damage or tip over.
- Never move or push heavy furniture by yourself as it can cause the furniture to tip over.
- This furniture is not intended to support TV or other heavy items.
- Do not overload the drawers.

HARDWARE

- A. Shorter screw
- B. Longer screw
- C. Washer (2)
- D. Plastic anchor
- E. Strap

Tools Needed (not included)
Phillips screwdriver
