Congratulations on purchasing this product. This product will provide many years of service if you adhere to the following guidelines for assembly, maintenance, and operation. This product is for residential use only. Any institutional use is strictly prohibited.

Please be sure to follow the instructions for proper assembly. Use a Phillips head screwdriver for assembling the product. Do not use power screwdrivers. All of our products are made from natural woods.

Please understand that natural woods have color variations which are the result of nature and not defects in workmanship.

DO NOT SUBSTITUTE PARTS. ALL MODELS HAVE THE SAME QUANTITY OF PARTS AND HARDWARE. YOUR MODEL MAY LOOK DIFFERENT FROM THE ONE ILLUSTRATED DUE TO STYLISTIC VARIATIONS.
**STEP 1A.**

Insert big wood dowel (N-1) into each leg (A). Attach four legs to the four corners of base frame (B) using 2-1/4" Phillips round head bolt (M). Tighten the bolts securely.

**STEP 1B.**

Insert small wood dowels (N-2) into the cleat for bottom panel (H-1). Then attach the cleat for bottom panel (H-1) to the base frame (B) as illustrated using 1-1/4" wood screws (U).

**STEP 2.**

Insert small wood dowels (N-2) into the left and right side panel (C-1, C-2). Screw cam bolts (O) into left and right side panel (C-1, C-2) as illustrated.
Assemble left side panel (C-1) to the bottom panel (G). Secure them using cam locks (P) as illustrated. Lock the cam locks by turning them clockwise with a Phillips screwdriver.

Insert two cam bolts (O) and one small wood dowel (N-2) into the bottom panel (G) and then assemble the center panel (D). Secure them using cam locks (P) as illustrated. Lock the cam locks by turning them clockwise with a Phillips screwdriver.

Assemble the back top support rail (I) to the left side panel (C-1) and center panel (D). Secure them using cam lock (P) as illustrated. Lock the cam lock by turning them clockwise with a Phillips screwdriver.

Assemble right side panel (C-2) to the bottom panel (G) and back top support rail (I). Secure them using cam locks (P) as illustrated. Lock the cam locks by turning them clockwise with a Phillips screwdriver.

Lightly land the bottom panel assembly onto the base frame (B) as illustrated. Make sure that the small wood dowel (N-2) at the cleat for bottom panel (H-2) fits its hole at the bottom panel (G).
STEP 4B.
Secure the bottom panel assembly to the base frame (B) using four 1-1/8" Phillips round head bolt (L).

STEP 5.
Screw six cam bolts (O) into the top panel (F) as illustrated.
Insert two small wood dowels (N-2) into the cleat for top panel (H-2). Attach the cleat for top panel (H-2) to the top panel (F) as illustrated using two wood screws (U).

STEP 6.
Insert small wood dowels (N-2) to the left, center and right side panel (C-1, D, C-2) as illustrated.
Lightly land the top panel (F) onto the top of side panels assembly as illustrated. Secure them using four cam locks (P). Lock the cam locks by turning them clockwise with a Phillips screwdriver.

STEP 7.
Attach the hinges (R-1) to left and right door (K-1, K-2) using door hinge screws (R-2).
STEP 8.
Attach back panels (J-1, J-2) on the back of changer using small screws (S) and two 5/8" washer head screws (T) as illustrated.

Loose the four 1-1/8" Phillips round head bolts (L) slightly if there is any difficulty in inserting the back panels (J-1, J-2).

STEP 9.
Insert the metal pegs (Q) inside the changer. Place the small shelves (E-1) and big shelves (E-2) onto it.
Attach the left and right doors (K-1, K-2) to the changer assembly using door hinge screws (R-2).

Care and Cleaning:
Do not scratch or chip the finish. Do not use abrasive chemicals for cleaning. Clean with mild soap on a soft rag. Rinse and dry thoroughly. If you ever refinish this furniture, be sure to use only a non-toxic finish specified for children's products. If you choose to refinish this furniture, the warranty will be voided.

KEEP THIS MANUAL IN A SAFE PLACE FOR FUTURE REFERENCE.

IMPORTANT: As with all infant and baby furniture, it is important to check fasteners, screws, and bolts periodically for tightness. Parents should ensure a safe environment for their children by checking the furniture regularly before placing a child in the product.

This item has a manufacturer's limited one year warranty. Visit our website at http://www.mybabymod.com/ for details.

PARTS

A. Front Rail
B. Back Rail

C. Left Side Rail
D. Center Rail
E. Small Rail
F. Right Side Rail
G. Cross Support
H. Bottom Panel

HARDWARES

I. Wood Dowel X 10
J. Cam Bolt X 6
K. Cam Lock X 6
L. Bracket X 2
M. Small Screw X 4

STEP 1.
Insert four wood dowels (I) into the ends of small rail (E). Then attach the small rail (E) to the left side rail (C) and center rail (D) as illustrated.

STEP 2.
Insert cam bolts (J) and wood dowels (I) into the back rail (B), left side rail (C), and right side rail (F) as illustrated.
STEP 3.
Assemble the back rail (B) to the left side rail (C), center rail (D) and right side rail (F). Secure them using three cam locks (K). Lock the cam locks by turning them clockwise with a Phillips screwdriver.

Place the cross support (G) into the notch centered in the back rail (B).

Insert wood dowels (I) into the end of left side rail (C), center rail (D) and right side rail (F) as illustrated.

STEP 4A.
Insert three cam bolts (J) to the front rail (A).

STEP 4B.
Slide the bottom panel (H) into the groove in side rails and back rail (B).

Attach the front rail (A) to the tray assembly as illustrated. Secure them using three cam locks (K). Lock the cam locks by turning them clockwise with a Phillips screwdriver.

Make sure that the end of cross support (G) fits the notch centered in the front rail (A).
STEP 5.
Fasten the tray to the changer with two brackets (L) and four small screws (M). The tray must be fastened securely to the changer.

READ ALL INSTRUCTIONS BEFORE USE OF THE CHANGING TABLE.
KEEP THE INSTRUCTIONS FOR FUTURE USE.

WARNING FALL HAZARD:
To prevent death or serious injury keep child within arms reach.

IMPORTANT: As with all infant and baby furniture, it is important to check fasteners, screws, and bolts periodically for tightness. Parents should ensure a safe environment for their children by checking the furniture regularly before placing a child in the product.
- Do not use the changing table if it is broken.
- Use only the pad provided by babymod.
- Never leave child unattended
- Secure the child restraint when using the changer.
- Keep the child in view while the child is on the changer.

Care and Cleaning:
Do not scratch or chip the finish.
Do not use abrasive chemicals for cleaning. Clean with mild soap on a soft rag. Rinse and dry thoroughly. If you ever refinish this furniture, be sure to use only a non-toxic finish specified for children’s products. If you choose to refinish this furniture, the warranty will be voided.

The recommended maximum weight:
The recommended maximum weight of the occupant is 30 lbs.

This item has a manufacturer’s limited one year warranty. Visit our website at http://www.mybabymod.com/ for details.
