Congratulations on purchasing this product. This product will provide many years of service if you adhere to the following guidelines for assembly, maintenance and operation. This product is for residential use only. Any institutional use is strictly prohibited.

Please be sure to follow the instructions for proper assembly. Use a Phillips head screwdriver for assembling the product in addition to the Allen wrench included in the hardware box. Do not use power screwdrivers. All of our products are made from natural woods. Please understand that natural woods have color variations which are the result of nature and not defects in workmanship.

DO NOT SUBSTITUTE PARTS. ALL MODELS HAVE THE SAME QUANTITY OF PARTS AND HARDWARE. YOUR MODEL MAY LOOK DIFFERENT FROM THE ONE ILLUSTRATED DUE TO STYLISTIC VARIATIONS.

A. Left panel  B. Right panel
C. Top back rail  D. Top front rail  E. Shelf rails (4)  F. Shelf boards (3)  G. Safety strap  H. Metal cross brace  J. Changing pad

TOOLs NEEDED (not included)
- Phillips screwdriver

HARDWARE
K. 2” Allen head bolt (12)  L. Lock washer (12)  M. Barrel nut (12)  N. Allen wrench  O. Metal dowel (12)  V. 5/8” Round Head Screw (4)

revised 03-2009
STEP 1.
Insert a metal dowel (O) into each end of the top front (D) and back (C) rails and also the four shelf rails (E). Use the Allen head bolts (K) and washers (L) to attach the rails to the left panel (A).

STEP 2.
Be sure that the grooves in the rails face to the inside of the changer.

STEP 3.
Turn the changer on its side and slide the shelf panels (F) into the grooves in the rails. Be sure the finished side faces the top of the changer.
STEP 4.
Place a barrel nut (M) into each rail end. Place the right panel (B) in position on the changer assembly and attach it with Allen head bolts and washers.

STEP 5.
Attach the metal cross brace (H) to the underside of the top shelf using two Phillips head screws (V).

STEP 6.
Attach the safety strap (G) to the front and rear top rails inside the changer using two Phillips head screws (V).

WARNING FALL HAZARD: To prevent death or serious injury keep child within arms reach.

IMPORTANT: As with all infant and baby furniture, it is important to check fasteners, screws, and bolts periodically for tightness. Parents should ensure a safe environment for their child by checking the furniture regularly before placing child in the product.

- Do not use the changing table if it is damaged or broken.
- Use only pad provided by Million Dollar Baby.
- Max. weight of child for which the changing table is intended: 30 lbs.
- Never leave child unattended
- Secure the child restraint when using changer
- Keep the child in view while child is on the changer
